Dear Valued Customer,

Join us **January 25th-28th**, 2016, in **Dubai, UAE**, at Arab Health 2016 to see the innovative FORA[®] Diamond products. And you'll love taking a break in our cozy booth. We will be showcasing the FORA[®] My Dongle and how it helps diabetic patients live better.

Stay Ahead with FORA[®] TeleHealth

ForaCare brings you a smart life with **Bluetooth[®]** technology. The convenient data transmission and communications improve the user experience for patients, doctors, and family members.

The Future of Health Care – FORA[®] My Dongle

Visit our FORA[®] booth in Hall Sheikh Saeed, Trade Centre Arena, Stand SAG75 and check out new FORA[®] My Dongle, a simple, inexpensive way to **quickly and wirelessly connect the FORA[®] blood glucose meter and mobile devices**, including iPads, mobile phones, and Android tablets. It's extremely lightweight and features **Bluetooth[®] Smart 4.0** and the fastest transmission speed for anyone wanting to track their blood glucose results anytime and from anywhere.

Come early. We can't wait to see you in Dubai at Arab Health 2016.
